

El Paso Corporation

The El Paso building is located at 1001 Louisiana St., between McKinney and Lamar. Public parking is available in the Travis Place garage and many different surface lots. Surface lots tend to be more expensive.

Enter the El Paso Building on the 1st floor from either the Louisiana entrance or the Milam entrance. Proceed to the security desk. You will be asked to sign in and then you will be escorted to the meeting room. If you enter the building in the tunnel, you will either need to use the service elevator or the stairs to enter the building from the first floor. There is no access through the tunnel for guests visiting the building. Please ensure you have picture ID available.
